Recycling and Refuse

During your stay at The Rise, we would appreciate your help and want to support the Welsh Government in achieving their statutory recycling targets for recycling 70% of municipal waste by 2024/25.

The blue recycling trolley is emptied every **Monday** so if you are staying on that day, it may well be at the front of the property. Please take it to the back garden, under the kitchen window for your use. A full explanation how to use it, is on the clipboard on the windowsill in the kitchen.

Black Wheelie Bin - Located on the patio, at the back, is used for "Non-recyclable items only".

Outdoor Area

Front Garden - Garden bench under the veranda. Inside the bench has fold up chairs for your use.

EV Car Charger - Please pre-book if you require the use of it.

Back Garden - Fully enclosed garden. A cube dining table and chairs, please use the cover when not in use. Cushions for a 2 seater sofa and 2 chairs.

Outdoor wall light switch by the back door. Washing line.

We have a new charcoal BBQ with cover. If you require the use of the BBQ please message us. It needs at least 3kg of briquettes.

Please thoroughly clean the grill after use with a hard scouring pad and de-grease spray. Empty the ash tray when cold, into a bag and place in the black wheelie bin. Fasten the cover securely.

updated March 2024

Thank you for your co-operation.

Pets

We have a large dog bowl and food mat under the sink, if you require one. Also, a pet welcome box in the hall.

We welcome up to a maximum of 2 small/medium sized, house - trained pets.

Ensure your dog's flea treatment is up to date.

Please bring your own pet's bed/blanket.

Keep your dog off the furniture and out of the bedrooms.

Please do not leave your dog alone, at the property.

Please ensure you clean up after your pet, both inside and out!

And go for plenty of walks!!

Local Vets

Anglesey Pet Clinic is 1.3 miles away from the bungalow on the B4545 towards Holyhead.

Telephone 01407 764 999

Keys and departure

updated March 2024

- Remember to leave the French door keys and the back door keys, in the lock.
- Shut all windows
- Please leave used linen and towels, in the basket in the bathroom.
This allows our cleaners to be as efficient as possible.
- Turn the Thermostat in the Hall to 10.
- Please leave the property by 10 am.
- When taking and returning your keys, to the key safe, please shuffle the digits so that the code is not visible.

Have a safe journey home
